AMIRAL Jacket

The Admiral Jacket is inspired by the famous Pacha Jacket, the jacket made for Merchant Navy Officers.

Elegant and very comfortable!

The Admiral's lining is really warm, soft and cosy, particularly appreciated on the wide collar.

The Admiral is perfectly waterproof thanks to the quality of the **DREMLIGHT fabric** and the thermal bonded seams. This efficient fabric also offers excellent breathability.

- Dremlight fabric, very efficient, 3-layers breathable and waterproof.
- synthetic fur lining
- Ribbed edge at the wrist
- Removable lined hood – adjustable with elasticated drawstring.
- 3 zip pockets, including one on the chest
- 2 pencil pockets on the sleeve
- Hanging ring.

Fabric : Dremlight

DREMLIGHT fabric: High-performance 3-layers breathable fabric. Thanks to its lightness, it provides incredible comfort. During very physical activities, the fabric's high breathability effectively reduces the amount of moisture inside the garment. Total weight: 194g/m².

Black acrylic lining: 100% polyester - 500 g/m²

Colours : KAKI, BLACK

Sizes : S, M, L, XL, XXL,
