Manteau TWIST

The Twist coat is a reimagined version of the ’70s Estelle coat! It brings the style of that era back to life.

- Visible white zippers.
- Tailored collar and sleeves.
- Martingale detail at the back.
- Made of PVC, it’s lined for comfort. The seams are stitched, not welded. It will keep you protected on a windy day or during a passing drizzle.

The Twist coat’s very feminine silhouette combines comfort, style, and practicality.
