

DREMTECH+ WINNER TOP

This jacket is made of Dremtech+, the best performing fabric on the market. Our Dremtech+ fabric has drawn everyone's attention and demonstrated its superiority. Many are the members of the Yachting industry to endlessly praise their Dremtech+ sailing gear and express their satisfaction. This type of clothing boasts quality and long life, features sought by users. Ideal protection for racing single-handed or with crew, with a collar and 2 cuffs made of polyurethane and a large adjustable neoprene band with fabric gusset at the waist for maximum waterproofing.

Fabric : Dremtech+

Dremtech+ is a high-tech breathable fabric. It is also comfortable and tough. Comprising 3+2 layers: 3 for breathability with hydrophile lamination and micro-porous coating, 2 for the inside integrated lining and the outer water repellent treated fabric.
