UNO waterproof holdall bag

The UNO bag is a versatile and durable model, offering a generous capacity of approximately 60 liters.

Designed to withstand demanding conditions, it is made from high-quality materials that ensure exceptional durability. Thanks to its semi-waterproof design, it effectively protects your belongings from splashes and moisture, making it ideal for outdoor activities or everyday use.

- Waterproof bag body.
- Heavy-duty zip fastening under a self-gripping flap.
- Adjustable and removable shoulder strap.
- Side zipped pocket.
- Smooth bag bottom.
