SOTRA Sweater

The Sotra Sweater combines warmth and comfort of our thick fleece and the waterproofness and resistance of the Cap coz fabric on sleeves and front.

Ideal for uses in humid activities.

- Neoprene Cuffs to prevent water infiltrations
- Warm fleece hood, adjustable with drawcords
- Short front zip fastener
- Whole front pocket behind PVC protection

Fabric : POL 350

POL350 fleece : Soft and compact, and has excellent thermal qualities. 350g/m². Cap-Coz fabric : Supple and very resistant. The interior jersey provides thermal insulation and reduces condensation.

Colours : BLACK/YELLOW

Sizes : XS, S, M, L, XL, XXL,
