

SOTRA Sweater

The **Sotra Sweater** combines warmth and comfort of our thick fleece and the waterproofness and resistance of the Cap coz fabric on sleeves and front.

Ideal for uses in humid activities.

- Neoprene Cuffs to prevent water infiltrations
- Warm fleece hood, adjustable with drawcords
- Short front zip fastener
- Whole front pocket behind PVC protection

Fabric : POL 350

POL350 fleece : Soft and compact, and has excellent thermal qualities. 350g/m². Cap-Coz fabric : Supple and very resistant. The interior jersey provides thermal insulation and reduces condensation.

Colours : BLACK/YELLOW

Sizes : XS, S, M, L, XL, XXL,
