

JAZZ Jacket

The Jazz Marine jacket combines a very urban look with perfect waterproofing. This very urban rain jacket, with its carbon texture effect fabric, is very efficient and stylish. The manufacture is meticulous to provide a watertight product... a winning choice.

- Magic" hood that allows simple adjustments to fit the hood correctly: it rotates with the head.
- Ventilated back to increase comfort.
- 2 large waterproof flap pockets.
- Perfectly waterproof waxed fabric with high frequency stitching.
- Large zip under the flap to guarantee waterproofness.
- Gusseted cuffs and ribbed edges.
